jenna & anthony

KENWOOD • September 18
photography by Summer & Boyd
at Pythian House Cottage

the ceremony
The ceremony took place on the property's lawn, with two redwood trees framing Jenna and Anthony as they said their vows.

the escort cards
The simple, wooden escort cards hung along a length of twine with clothespins.

the bridal bouquet
For a bouquet that looked just-picked from a garden, Jenna carried white roses with seeded eucalyptus.

THE BRIDE Jenna Hunt, 29, a photographer

THE GROOM Anthony Alcala, 30, an investment consultant at Citi Personal Wealth Management

HOW THEY MET In a college economics class

NOW LONG ENGAGED A year and a half

THEIR WEDDING STYLE Wanting their wedding to feel organic and family-oriented, Jenna and Anthony found a venue that felt like a backyard and incorporated natural elements (oak tables, wood invitations and straw fans) into the décor. Soft shades of gray, copper and cream amplified that vibe. —JD

the centerpieces

Mason jars filled with all-white flowers were sprinkled on all of the dinner tables to achieve a country-home vibe.

the dessert

Jenna and Anthony served various cupcakes on wood cheese boards surrounded by candles.

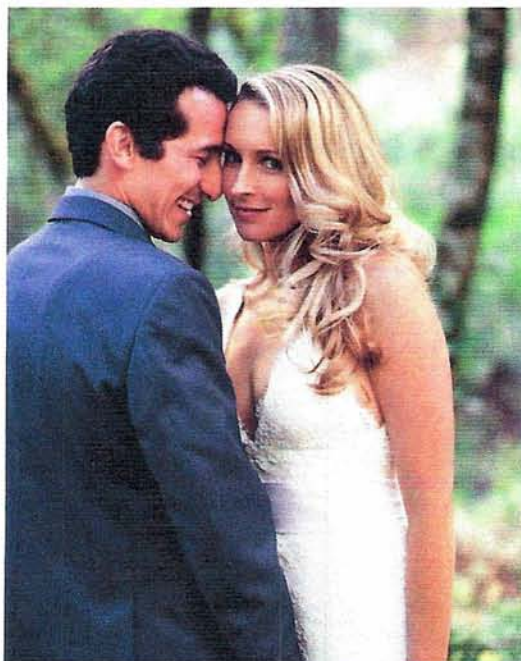

the reception

Dinner was served at bare wood tables beneath a clear tent to make it feel as outdoorsy as possible.

the bridal style

Jenna wore her hair down in big, soft curls with an old-Hollywood-style wave at the front.
